Subject: Invitation to serve as a Keynote Speaker at ICNAAO 2026

Dear Professor Khamsi,

On behalf of the Organizing Committee, I am pleased to formally invite you to serve as a Keynote Speaker at the **6th International Conference on Nonlinear Applied Analysis and Optimization (ICNAAO 2026)**, to be held on **December 14–16, 2026**, at **King Mongkut's University of Technology Thonburi (KMUTT), Bangkok, Thailand**.

The conference is organized by the Department of Mathematics, KMUTT, in collaboration with the Nonlinear Analysis and Optimization (NAO) Wing of the Calcutta Mathematical Society (CMS), Kolkata. It will bring together researchers and students to exchange ideas and discuss recent advances in nonlinear analysis, applied mathematics, optimization, and their applications.

In recognition of your contributions to fixed point theory, the geometry of Banach spaces, and their applications, we would be honored to welcome you and hear your lecture on a topic of your choice within the scope of the conference. Your participation would be a valuable contribution to the scientific program.

We would be grateful if you could confirm your acceptance and availability. Upon acceptance, please provide a tentative lecture title and any scheduling preferences. We will follow up regarding your abstract, a brief biography, presentation details, and practical arrangements.

Thank you for considering this invitation. We look forward to the pleasure of welcoming you to Bangkok for ICNAAO 2026.

Yours sincerely,

Parin Chaipunya
Conference Chair, ICNAAO 2026
On behalf of the Organizing Committee
Department of Mathematics, KMUTT
